Remembering the fun weekends in BG with marathon Star Fleet Battles contests when I thought I would never see the top of the tables again! Star Maps and Die cut counters everywhere and plastic discs from the shooters under the furniture! Then a few years later at Gypsy Lane estates, all weekend long D&D games when I fell asleep by 1am and everyone else (the guys mostly) stayed up playing... Tim always kept his dice in a Royal Crown bag until we started making dice bags ourselves as TAG Industries. Such fun we had!
