She was such a beautiful person. I met her on the bus - Park & Ride and we became bus friends. She was a great listener. I loved sitting next to her and talking with her. We had lunch at the Galleria a few times, too. She was so kind. She gave me a bottle of wine when I retired March 2013. I am very saddened by this. I wish her family peace and strength at this difficult time. She will be missed and always fondly remembered. Marge Williams
