One of my favorite memories was pulling into Walmart and parking my car right next to Uncle Dan and Aunt Jackie and not even knowing it. Aunt Jackie was in the store with grandma and Uncle Dan decided to stay out in the car. Who would leave a perfectly good uncle in the backseat of their car? Shannon

Mr. Saggio was truly one of the most genuine, honest, and loving people I've ever known. He and his whole family are just incredible people and I'm so thankful that they've always made me feel like family. I love you all and am sending all my love and prayers. He was such a fun loving guy that will be greatly missed by so many. May you rest in peace and look over your beautiful family from above, to continue to protect and guide them. With love, Crystal
