Jake was a free spirit and an animated guy. I only had the pleasure of knowing Jake for a short period in his life, but much like his life, the time I spent with Jake was filled with fond memories and upbeat moments. An avid video game player and a constant "on the go" personality made iPhone games a personal favorite for Jake. Always in good spirits, his candle burned bright. I'm going to miss this guy but I know that he's in a much better place now. My deepest and sincerest thoughts go out to the family in these times of grieving.

Dearest Jacob, I hope you truly know how much I love you. I don't know why you had to leave so soon? I wanted to build so many more memories with you. There is some serenity in knowing you are now free and at perfect peace. Although I won't be able to see your smile or hear your laughter, you will be forever in my heart and I will look for you in every beautiful thing. I love you Jacob! Be free my sweet boy. Terrie

My sweet child, I can not express the emptiness I feel right now. My hope and prayers are that you now are whole again. Your beautiful smile and laughter would light up the room wherever you went. You were always so funny and that laughter was contagious to all around you. I will carry you in my heart forever until we meet again. Rest in peace my sweet Jacob and know that your memory will live on through both your father and I. I miss you terribly and for now I will grieve but know that you will always be in my heart. I will try to carry on, with the sweet memories I have, wishing only that we had time to make more. Love to you always, Momma

My sweet sweet Jacob even though we lived so far apart only seeing each other on visits or talking on the phone. You stole a piece of my heart. Such a caring and kind young man even as a child. Who always gave a big hug and an I love you. When I was up last month and we went on our shopping trip to the grocery store and I got so stressed about the amount of money we were spending you just calmly said its ok Aunt Pam don't worry about its ok and it was. Till we see each other again Jake I Love You so much.....Aunt Pam
