Pam was a dear sister in so many ways - Most importantly a Sister-in-Christ, a family sister and friend. Back in the early 90's (when we still looked good in our bikinis), Mark/Pam, Dave and I had a fun trip together to Cancun....until we went to the bull fight and Pam ran out and the dead bleeding bull was hanging right there. If you knew her you know she loved animals and that was a bit tough for her. My best memories were our GNOs (Girls Night Out) with all our sisters, sister-in-laws, nieces.....so much fun, so many great memories. I will miss you so much Pam. I can't imagine life without you. But I can take comfort in knowing your suffering is over and you are in heaven with our Lord Jesus. Love you Dearly - Sandy

Mark & Family, Our heart goes out to you at this difficult time and the many days to follow. God gives us hope that someday we will be rejoined with those that have gone before us. I know it may be of little comfort at this moment but I am sure she will be with you everyday leaving you little signs that she is still with you until you can be together again. May God grant you and your family peace and serenity. Pam is no longer suffering from the beast we all know as cancer.

My mom was the best mother any child could have, I'm very honored to be her son, she taught me a lot, never stopped giving, never stopped helping others, her concern was always for others, nothing was ever just about her. She loved sitting with her brother in laws and sister in laws at parties, she was the happiest around family, and friends. Her and my father, will always be my world. I love you Mom

Pam was always friendly and her laugh made us laugh. We will always remember the many good times we shared with her and Mark whether it be on the coast of North Carolina or in a kitchen at someones house. Pam made every get together special. She was beautiful inside and out. Carl & Mary Cathcart
