I am so sad to hear of John's passing. I can see him sitting in French class as if it were yesterday, always a smile on his face. Claude, as I knew him, was so kind, and so generous. My heart goes out to his wife, and of course, his family. I had the pleasure to teach many amazing students, but John was one of my very favorites. May you have peace and comfort in the days ahead. Every morning I could depend on John popping his head in my office and making some silly face just to make me laugh. We would laugh together like two silly people and go about our days. I will miss his smile and sweet loving spirit. We are not often blessed with someone like this but I'm fortunate to have known and served with him. Rest in peace buddy 😊
