Gloria was my rock, she stepped up to the plate to help us with our kids when my parents moved to Florida. I still can't believe she is gone. I know she is happier now she is with her family and friends in heaven. Gloria had such a big heart, always willing to do anything needed for someone else, never asking for anything in return. My family will always Love Her. Gloria please watch over us and all our departed families. Heaven has just gotten another Angel. Kathy, Pat and P.J. and Cole Dever.

Gloria was such a beautiful soul. Even though we lost touch off and on every time we saw each other it was like just like yesterday. That's what happens when souls connect. We spoke at length last summer around Laycie's graduation party which at the last minute I could not attend. I vowed that we would go to dinner but because of my work travels we never connected. I loved how Gloria cooked and baked. She did it with all the love she had in her soul. She made her famous rigatoni for 2 of my kids graduation parties and each time it was so large and heavy, it 2 strong people to carry it into the house. She told me once how she had an angel encounter when she had her cancer. The angel told her she would be healed and she was soon after. I know she in at peace now with our Heavenly Father and is celebrating with her family in heaven. ❤️Peggy
