Words cannot express how much Jim meant to me and my family. Jimmy was like a brother to me and part of our family for over 30 years. Through Jim's friendship, kind heart, funny and all around great person, he has helped me through a lot of tough times. I have so many great memories of Jim that will never be forgotten. I love and miss you, Jimmy.

I met Jim a little over a year ago through Berea ARF and his presence always made me feel welcome at events and gatherings. His passion for the animals drove me and will continue to drive me to work hard for the rescue. His incredibly warm nature and good humor will be missed. My heart goes out to his family and closest friends.

I came to know Jim through Berea ARF fundraising events. He was hard working, gregarious, intelligent, and super nice with a great laugh. He was so selfless in his dedication to helping raise funds for the shelter. I have so much respect for his tireless efforts. I hope it helps to know that's others recognized and appreciated his special qualities - he was a genuinely good soul.

James, Alan and I will not forget your sweet personality. You were a member of the Lucas/Dennis family. We remember the fine times spent together at Judy and Don's when the kids were growing up. Jim was a kind spirited person always thinking of others. God bless Jim and his wonderful fine family.

Wow... where to start. Seems like Jim has been a part of our family forever! He was always smiling and happy, even when arguing his point of view with you. The love he had for my niece and nephew and even for my son was amazing! He had such a great heart and there will forever be an empty space in our family without him. Love and prayers to his family and his many many friends.
