Sending love and prayers to the Siedel Family. I am so sorry I cannot attend the service today, as I wanted to pay my respects to his life and legacy. He was a long-time friend of my late husband, Dave, and always brought a smile ~ and some mischief ~ by his very presence. Among the sweet memories of Carl, is seeing him step through the door of the hospital or come to our home to cut Dave's hair when he was unable to get around. It was the mark of a man with a big heart. We were blessed to call him friend, as were so many others. My prayer is that God will comfort you with peace in this temporary goodbye. Carl will be missed. Sherry Eyssen

Heartbroken to lose such a great guy! Long time family friendfirst and then many subsequent haircuts for my son (and made the first hair cut experience so memorable with his jokes and tricks). No matter where you would see Carl, he had the loving smile and chuckle that made your day! He will be missed dearly.....He leaves behind a legacy of so much more than words can express! God Bless you my dear. I am better for having known and loved you and feel the loss for your passing! May you know how much you are respected, loved and missed. Suzan McCreanor

So sorry to hear about Carl's passing. Carl used to pull McDonald's French Fries of my ears when I was young. Never did understand how he did that. :-). He was a fun friend to all of my aunts and uncles. I enjoyed seeing him each year at the Mapleside golf tournament. And I have no doubt he is giving my DAD the best haircut in heaven! Val Eyssen
