Hi To All,I am saddened my Jack's passing. He always was there if help was needed. Prior to the selling of Papaw Reggie"s house, mom and I would go to FI to stay there. Needless to say something always went wrong with the house. Jack was always fixing something to make moms stay in Mt. Dora better. He was a wonderful person and he will be missed. To the Mike,Brian and Jamie I would be at the service tomorrow but I had surgery that I am still recovering from> You are in my thoughts ad prayers. Cousin Greg Cook

My brother and I would take turns spending time at uncle Jack's house going swimming and hanging out with him and aunt Lucille. My brother spent more time there than I did but we always cherished our time with them both and with the cousins. In the summer we would stay for a week at a time or more and then our parents will come to get us and we would have a cook out around the pool and just have a really great time and it got even better when the cousins would show up! Really going to miss him and I love him very much. ❤️ With much love, Karen B.
