Brandon was my fiance and a true, kind free spirit and loved by all his family. My heart breaks daily knowing that he has left us all. He meant the WORLD to me and still love him very much though he is no longer with us. My deepest sympathies go out to his mother, father and siblings. He was my heart and miss him every day since his passing. Go now Brandon and be with your maker, you no longer have to suffer babe You will be missed and loved but never forgotten. The Lord has you now and when my time comes, I will be by your side. I love you Brandon Jonathan Geiger 831 for now and forever!
