I will remember Len in many ways; friend, confidant, mentor, and the good humor man. Len was always there to provide perspective and guidance when the working world would throw me curves. His wit was one of a kind. Len was very proud of his children and bragged about his grandkids. His dogs also held a special place with him. Len will be missed.. I feel privileged to have known Len and call him a friend. I am so sorry for your loss. My prayers are with you. Tina Hegedus

Dear Potoczak family, I am so sorry for your loss I can't even begin to know what you are going through at this time. One of the things that I have found to bring me comfort when I lose a loved one is the thoughts that are expressed in the Bible at John 5:28,29. We see that God is going to bring back our loved ones to life. At Revelation 21:4 we see that God is going to eliminate all of the causes for why we get sick, grow old, and die. At Psalm 37:10,11,29 we see that God is going to destroy all wicked, evil people and only those who are good in his eyes are going to have the chance of living forever here on a paradise earth. It is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss. Sarah
