Our thoughts and prayers are with all of my cousins. I only remember Aunt Anne from my childhood memories, but she will always live in my heart. My daughter Rachael shares her birthday so we will always celebrate her life every April. She is in a better place and again reunited with Uncle Howard. What a wonderful time they are having. They are all keeping a watchful eye on us, protecting and guiding us through our lives. God be with you all through this time. Peace..Andrea##imported-begin##Andrea Allan##imported-end##

With deepest sympathy we send our regards to Jennifer Heidi Scott and Matthew . Know that we will be with you in our thoughts and prayers at this most trying time . May the road rise up to meet her May the wind be always at her back May the sunshine warm her face And until we meet again may God hold her in the palm of his hand . We have both often thought of Anne and missed her presence (at our San Diego get togethers) over the years, with friends Jennifer and Pete. Anne was a strong, fun, and compassionate lady and although we have not seen her in years, we always kept her in our hearts.##imported-begin##Judi Daly and Doris Coiner##imported-end##

It's hard to find the words to express all that I'm feeling right now. I wish we'd gotten to visit her when she moved to Ohio; but knowing my sister Heidi was there close-by to care for her was comforting, as were all our phone calls. She was a strong & independent woman; she devoted herself to her children - she was there to help us all & to cheer on our accomplishments. We will all cherish the memories & take comfort that she's in a happy place with Dad again, until we get there I'm sure they'll continue to watch over us - they're never really gone. I was their first born: they'll always be #1 in my heart. OX##imported-begin##Jennifer DiCola##imported-end##

My deepest, most sincere condolences to all the family, especially my cousins. I too take heart that Aunt Anne is once again with Uncle Howard, along with mom and dad who departed ten years ago. I know all four are somehow helping to direct and guide us through and with God. My thoughts and prayers are that you're able to find comfort through the sadness and that we'll all continue to make them proud and serve them well by carrying on the greatness they instilled in us. With all the peace and love our Father can give...-- Drew##imported-begin##Drew Sherman##imported-end##
