I met Bob back in the 70's before I was married and had kids. As the years went by and I started my family Bob kept telling me one thing. Spend as much time as possible with your kids when they are growing up because before you know it they will be adults and starting there own lives. I took it to heart and owe it to him to have been as involved as possible in raising my family. And now in the blink of an eye my kids are starting there own lives. Thanks Bob, Marge, Mike and the rest of the family. I will truly miss Bob.

Dear Cappy Family:Mr. Cappy (we can't bring ourselves to call him anything but) is and always will be remembered as a fun loving, deeply caring and generous man. He always had a smile on his face and always greeted you warmly and with humor. We are very grateful for the time we were able to spend with Mr. Cappy as he taught us much about how to approach each day and enjoy life.Our deepest sympathies are with Marge, Mike and the entire Cappy Family at this time of great sorrow. We will keep you in our thoughts and prayers.Love, The Svetz Family

Dear Cappy family,I am so sorry for your loss I cant even begin to know what you are going through at this time. One of the things that I have found to be a great source of comfort is the thoughts found in the blble at John 5:28,29 Were we see that God is going to bring our loved ones back to life. at Revelation 21:4 We see that God is going to eliminate all of the causes for why we get sick grow old and die.also at Psalm 37:10,11,29 we see that God is going to destroy all wicked evil people and only those who are living up to his standers our going to have the chance of living forever here on a paradise earth. it is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss.
