Jim, we are so sorry that Terry was taken from you so soon. I still remember her so brave and courageous and she inspired so many. I know I drew strength from her and no matter what she was going through, she still had a way of helping others, whether it was with a bouquet of flowers or with a kind word. She is now in no more pain, and we have a beautiful memory of her and her zeal for life and that is something that no one can ever take away from you.
