Pat always offered her smile, possibly to cover her own pain, When others would simply give up, that was not her style; In her passing, like in her living, on her parade it shall not rain, For victory is won, her spirit has awakened, she has made that extra mile. I lift you up, my friend, to Heaven's abode, where the best is to be, Thank you for taking the time to share a thought or lend an ear; For accepting me into your rhelm, a greater light for which to see, The gratitude you did show, has made a difference for many, especially to me, right here. ##imported-begin## John Hyre ##imported-end##
