Nate and Gabby, I was unaware that your mother was ill. I am so sorry that you have to go through this. My heart and my prayers go out for you. I wish I could have been there for you. I will always hold special memories of you and your mother and the smiles all of you gave me. She gave you the blessing of knowing that there is hope beyond the pains of this world. Nate and Gabi, what a wonderful young lady and young man you have grown into. I'm sure that your mother is very proud of you both. Knowing that you both have such a strong christian upbringing, I only need to remind you that the greatest comfort I can offer has been given to you through the promise of the resurrection. Jesus reminds us every year of what he has done for us. What a glorious thing it is that your mother now can be part of that celebration that we just relived a few short weeks ago. You can also know that you will see her again. May God's peace be with you in the days ahead.##imported-begin##Carolyn, Terry and Matthew Leu##imported-end##
