The day Amos, (the crow that flew around the neighborhood) started dive bombing Linda and I (Sandy) and we ran to her front door porch in Warrensville heights and Uncle Don was blocking the door and we tried pushing past him but of course....we couldn't, and Uncle Don laughed at us. This is Just ONE of the many good memories I have growing up with my best friend Linda, and with The Blanks. My second family. You all have my prayers and deepest sympathy. R.I.P.. Uncle Don
