Sandy Naglowsky posted:

Oh how I will always remember our porch chats, I have missed my dear friends Marie & Bob. I still remember the day we sat on my porch and he was so excited to tell me how he met Patty, after he lost Marie. He always said he was a lucky man to have found two beautiful women in his lifetime. So close to this family, we went thru a lot together. Patty and the family mean a lot to me, I feel their loss. With great love and sorrow my friend, get the porch ready till we meet again.
