Alan And Kelly Henry posted:

While the light from your smile in our lives has been dimmed that is temporary because the memories of you that we hold so dear will brighten our tomorrows. Our lives have been enriched by your love and admiration and blessed by your presence. We know Uncle Ralph, Daddy, Poppy and Nana were all there to welcome you with open arms. We all will be reunited someday on the other side of the rainbow. Love you, Alan, Kelly, Rick and John Henry
