**Cathy Sellards** posted:

When we were younger, I was 19 and Nell was 20 we decided to start jogging around the block like 3x a week and it was long blocks, so we went for our first jog, needless to say we walked partially around because it wasn't as easy as we thought it would be but for the next week we couldn't walk, we had to pull on our pants leg to get up stairs, it was our first and last attempt. I love you Nell and I will miss you very much. Forever your sister and partner in THE GANGSTA GRANNIES!!!Cathy
