Oh my gosh. I am just now seeing and knowing of his passing. So many memories of my kittens, Delilah and all her babies. I would see him when the city did their drug testing program through the place I worked. It was fun to always catch up with him. One visit he gave me a glass ladybug for luck to carry with me. I carry it to this day. What a wonderful man and family.

Hi Sandee, thx for the kind words. I know mom and dad always loved having kids around. Was great place to grow up! Take care
