While I did not have a chance to meet Margaret, I can truly see what a life she must have had and a great support system with her family, including Art, who I have had the pleasure to work with over the last year and half. My thoughts and prayers are with you and all your family through this very difficult time. May you find happiness and peace and cherish memories that you shared with Margaret during her beautiful life.

Regrettably I didn't get a chance to meet Margaret, but I know she was a classy, bright woman and mother by working with her son Art these last two years. Art has great qualities, and I'm sure many of them came from her. I know she will be treasured and missed by everyone who was her family and friend. Condolences, and my best to the entire Garanich family.
