Susan Stovcik

JUL 12, 1956 - SEP 7, 2019

Susan Stovcik (nee Enklat), 63, departed for Heaven on Saturday September 7, 2019. Beloved wife and best friend of Wayne for 42 years. Adoring, devoted, loving and proud mother of Hayley. Sister of Angela (Greg) Vavra and Peter Enklat. She was preceded in death by her parents, Irma and Peter Enklat. Susan was a teacher with the Parma City School District for 41 years and was known for her beautiful smile, positive attitude, infectious laugh, passion for teaching and the amazing ability to influence everyone who had the honor of knowing her. Susan raised the bar for educators and was highly respected in the teaching community. She made people believe that they could do so much more than they, themselves, believed they could. She helped us all to see the best in ourselves when we most needed to do so. Susan was and always will be Caliber Dance Company's biggest supporter and proudest fan. She found endless joy in traveling to dance competitions, volunteering at the studio and spending time with her Caliber Dance Family. Above all else, Wayne and Hayley were undoubtedly the absolute loves of her life. VISITATION AT JARDINE FUNERAL HOME 15822 PEARL RD. STRONGSVILLE WEDNESDAY 4-8pm. FUNERAL MASS THURSDAY 11am ST. Memorial contributions can be made to the Cleveland Animal Protective League 1729 Wiley Ave. Cleveland, OH 44113 in recognition of her love for her always growing Chihuahua family and many rescued pets. Susan was a cheerleader at a young age while a student at Lakewood High School. That enthusiasm and support of others overflowed into the lives of all she touched. As a devoted wife to Wayne and Mom to Hayley, Susan infused her marriage and parenting with fierce love and commitment. As a teacher to thousands of students, Susan inspired and motivated her classes with fierce passion. As a Caliber Dance Mom, Susan instilled each dancer with fierce encouragement making them a part of the Caliber family. As a colleague, Susan led with a fierce work ethic. As my friend, Susan provided a fierce devotion filling our relationship with positivity, understanding, compassion, and love. She remains the eternal cheerleader for all of us who have been touched by her sunny disposition and quick smile. The world is dimmer without Susan in it, but if we all collectively give a fraction of what she gave to all who knew her, we can not only honor her, but also make the world a better place. I miss you, my dearest friend. I know you are leading a cheer to help all of us deal with this void left with your parting. Silent memories will keep you near. I love you.

My son mentioned that she really cared about the kids and teaching. That's not something he would normally say so she must have been special. She will be missed by many.
