Julie was such a wonderful and beautiful spirit. I am going to miss our texts back and forth for no reason other than to see how we were doing. She had such a loving heart and always had a smile on her face no matter what. She brighten up any room with her laughter and her smile. I am going to miss her so very much. She loved her garden, she loved when we would stop by and come over with the kids and just sit and talk and laugh for hours. Now she is another angel I have on my side. I am going to miss her dearly and I know my mom is heartbroken. My thoughts and prayers are with you all. Love, Christan, Marcus, Adysen, Braylon, Kyleigh

I remember when one of the students at CIDMA did not have enough money to buy a coat, gloves and other winter items. Julie with her heart as big and warm as the sun, reached into her pocket and purchased a much needed coat for this student. She cared very much for the students at CIDMA and she loved everyone she met. We called each other sister's from another mother. I have had the pleasure of knowing her for more than 20 plus years and my heart is saddened but I am overwhelmed with joy knowing she is at peace and with those she loved that have gone before her. I will sorely miss you Julie and I will think of you and the fond memories I have of you often. See you soon!

My heart is broken. I worked with Julie for a few months this year. I can still remember her sweet smile and kind nature. I'll miss our phone calls after work and laughing over the silliest things. We shared a deep love for Christ and prayed for each other and for the less fortunate quite often. Julie always wanted to make a difference in people's lives and she did. She brought a smile to many. She was loved by all who met her. I'll miss her so much! Rest In Peace Julie!

Aunt Julie was an extremely loving person, always encouraging & helpful. So blessed to have had her as matron of honor at my wedding & will also cherish the times she came to help when I had my babies, etc. She was faithful with regular texting & phone calls with many family members & it was all to encourage us! She loved us down to our souls! There is a huge void in our hearts, but I am comforted by the fact that she is Home with her Lord & Saviour, Jesus Christ.

Julie was the best person you could ever meet. Her laugh could be heard over a thousand miles away and her smile could warm the Antartica. She was a ray of sunshine that knew how and when to guide a lost soul home. She will be missed but her memory and lessons will live on. God blessed anyone who came in contact with her and that itself will continue to bless our hearts. I know in my heart that she was greeted with the biggest party known to Heaven and hugged by all of our deceased family. May her soul find rest, peace, and love.
