Dear Family, Juliet and I would like to express our Deepest Sympathy. We were saddened to learn of Carol's passing. She was a couple of years ahead of me in Clendenin High School. I remember her parents and know all of her brothers and sister. It was always such a pleasure to see Carol in Clendenin at reunions or ect. We know she was loved and will be greatly missed. We will remember you in our prayers. Ralph and Juliet Lynch

**Janice Grow Howsmon** lit a candle in honor of Carol.

To Hank and the family...I was a Pi Beta Phil sorority sister of Carol..We shared many special fun times during our college years. We then lived together in Columbus, Ohio where Carol taught elementary school. Hank and Carol were dating at the time, and I can still remember their zest for gourmet cooking. On Saturday, they would head for North Farmer's Market, come home with a bag full of fresh meat/produce and spend the day in the kitchen..Their devotion to one another was always obvious. I'm grateful our paths crossed at West Virginia University. May the memories she left with her loved ones be a source of comfort in the days to come. In Pi Phi friendship, Janice (Grow) Howsmon
