I'm not sure how to live my day to day life with the women who helped me every step of the way? She was always there for me and my boys and I am so grateful for her unconditional love and support. Everyone that knew my mom loved her. She made friends wherever she went and welcomed people into her home and heart. Heaven gained an amazing woman and it is a comfort for me to know she is holding her son Billy and surrounded by all of her family and friends. Mom, I love you much, much, much! Thank you for everything! I will hold you in my heart until I see you again. Love - Dana

I will miss you Aunt Pat ❤️ You are a beautiful person inside and out. We had a lot of fun at family parties and our poker get togethers. It is a comfort that you are reunited with Little Billy again. Rest In Peace 🙏 I Love you ❤️
