We are so lucky to have spent such quality time with all of you recently. Now, knowing what you were all going through makes it so much more special. You all lovingly opened your home to us and Terri poured her heart into a homemade and O so delicious feast. She and Carl even made sure we were warm enough, giving us our own Tribe jackets, which we cherish. As heartbroken as we are we are blessed to have the memories and to have all of you as family ! God bless you all ! With love, Rick , Diana & Ericka

To our beloved Ohio family, seeing the picture of Terri and that smile that has never changed brings many wonderful childhood memories to mind and also tears to my eyes. My heart goes out to all of you. Your family, even though miles away remains in my heart as if it was yesterday that we were setting under the pine trees at Fritzie's. So many good memories that will remain in my heart forever. Carl, Julie and Ryan, know we will be praying for the comfort that only the Lord can give at a time like this. Debbie and Sharon, please give your Dad a hug from me. May the Lord be near and wrap all of you in his loving arms. Love all of you. Patty

My dearest friend....you will always be a part of the best memories of my life. I could not wait until summertime when you, Debbie and Sharon would come to Dudley to visit Gram and Pap. What bonds we created, what fun we shared. Though time and space separated us, my heart was always warmed when I thought of you.

You will be greatly missed, but your memory cherished. Carl, Ryan and Julie....my heartfelt prayers are with you and with all those who will be grieving this great loss. May God bring you comfort and peace. Terri, until we meet again my friend. I love you. Suzanne (McGhee) Detterline
