Bernice was a generous and beautiful soul and will be greatly missed! I have fond memories of her delicious food for years at the G and M bar. Her stuffed cabbages were legendary! Much sympathy to Rich and the family.

Wow. I am so so sorry to hear of my friend and neighbor for many years. She and my Mom and our family were very close during those years. She often stopped in to visit my Mom, while her Mom Margie was still living next door. I remember her, and her family fondly. When she was young she used to tease both my brother Ken and his friends and I. We would usually put up with it for awhile, then chase her away with a broom. I remember visiting her at the G&M Bar at times. My condolences to her family, including her hubby Rich and family.
