We have lost a dear friend. He will be missed by all. His laugh can never be forgotten. His smile can never be replaced. His genuine kindness is a guide for all of us to emulate. If everyone in the universe was like "Bo" , then this would be a wonderful place to live. Our thoughts and prayers are with you"Pat" and your family.

Pat, we are sad that Bo has left us for now. I extend to you my deepest sympathy. You know how close Bo and I got after he found me some six years ago. After that we were constant companions via email and by phone calls. I talked shortly before the passing of his "Wonderful Mother," I asked him what was going on with him and if his Mom was OK. He said he was not doing well, but that his Mom was not doing well; he accused me of having ESP-ha. Bo and I worked together in an Air Force Radar Unit in Spain. Many times he gave me and TSgt Jerry Schmidt credit for teaching him to work and accomplish our Air Force goals. I always found this funny because I felt that I was the one that learned many lessons from Bo! I consider myself "lucky" of having worked with Bo, we even worked together to coordinate our first 871st AC&W Reunion over four years ago. After Bo researched over 300 members our unit, dead or alive, he became our historian and man to go for those old memories. So much to tell. If not for Bo, and Eulie, I would never achieved the rank of Chief Master Sergeant. These guys had the potential to be Chief's or high ranking officers. I salute Bo, may he rest in peace. I must add that God gave him the best of wives, and I have told Pat this so many times - Amen.Lupe & Esther LopezAlbuquerque

Pat - My sympathies are with you and your family. Larry was one of a kind and will always be remembered as a great man and how everyone at WTH would just love to watch him jitter bug and my sister Janice Alepakos Donegan was one of them that danced with him at the rec room in WTH. I am so sorry that I could not meet you and Larry at the Greek Festival for the last 2 years but too many things got in the way. Again please accept my deepest sympathies. Toni Alepakos Ayers

I am truly sorry to hear of the loss of a wonderful friend. First met Bo in 1961 at Warner Robins AFB, Ga where he Lewis Gray and I were young airmen. I was married and my wife became pregnant with our first son. Bo was always interested in how we were doing and he was very kind to us with our son was born. He made it a point to drive to our home in Columbus, GA when he was discharged prior to going home to Ohio. We lost contact over the years but regained contact recently. He and Pat came to visit with us in Duluth, GA and we certainly had an enjoyable visit. I, and others, have lost a wonderful friend and a great person. My heart goes out to Pat and family. We will miss you Mr. Bo Allen (Qzzie) Osborne
