This time last year I was blessed to have spent a good portion of your trip to Northern CA with your wonderful husband Frank, son Dominic, brother Gary, and nephew Cruz. It was truly a great family bonding time. I will forever cherish the memories of our conversations and laughter. You will be missed and I am so thankful you are no longer in pain. Until we meet again my sweet cousin. I know we have another Garza angel watching over us. God Bless You. Angie Garza-Eakin

We met Cindy when her son Dominic and my son Josh were 7 years old and we have been like family ever since then. I will treasure all the wonderful times we have spent together, Christmas, 4th of July, birthdays and every day in between. Watching our boys grow up together and experiencing all the laughter and challenges that went along with it will forever be in my memories and my heart. Rest in peace my dear friend and may god put you in a special place where you can watch over your family and all those who love and cherish you. Love you always, Larry, Natalie & Josh.

Our Condolences to Frank, Dominic, Anthony, Michael, Gary, and all the Garza and Miniello families! We are saddened by the passing of my dear cousin "Cindy"! Our love and prayers are with you all during this difficult time!! I had hoped to see my cousin when I went to Lorain from Florida!! I will forever remember all the good times shared with our cousins, in family, and the Beatles music we both loved listening to like "Hey Jude, Its been a Hard Days Night, and so many other 45 records we would sit down and listen to together!! Your wedding day, and so many other times shared together in family picnics and so forth!! Although, we were unable to see each other now, I know someday we will be together again in a better place where there is no more pain and suffering!! May you rest in peace my dear beloved cousin "Cindy"!! Love you always, Alicia Rodriguez Gonzalez & Miguel Gonzalez

Remembering that last year at this time we were planning her first visit to San Jose, California to see us. She was so happy here. She talked about coming back soon & staying longer next time. I'm brokenhearted & sad but I know she's no longer suffering! Rest in peace Prima...until we meet again... "If flowers grow in Heaven Lord, then pick a bunch for me, place them in my cousin Cindy's arms and tell her they're from me. Tell her that I love and miss her, and when she turns to smile, place a kiss on her cheek and hold her for a while..."
