Dear May Family, I am so sorry for your loss, please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the thoughts expressed in the Bible at John 5:28,29 where we see that there is going to be a resurrection of those who have died. Also at Revelation 21:4 we see that God is going to eliminate all of the reasons for why we deal with sorrow, pain and even death itself. It is my sincere hope that these thoughts bring your family comfort at this time. once again I am so sorry for your loss.

Dear May Family, I am so sorry to have read of your loss. Please accept my sincere condolences. Something that I have personally found to be of great comfort is what the Bible says at John 5:28,29 as well as Revelation 21:4. In these verses we see that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my sincere hope that these thoughts comfort your family as well. Again I am so sorry for your loss. Rebekah.
