We had the pleasure of hosting George on a trip he took with his son Tom to AZ. It didn't take long for me to love that man. He was funny and warm and always had that signature, George smile. It went from ear to ear. George was a true gentleman and so very thoughtful. I am glad that we spent that time together so many years ago. I will never look or think of spray butter the same. We will miss you, George Hopkins!!! S&J
