Our sincere condolences to Jan and family. Bill was such a wonderful part of Strongsville. We were both very honored to have had him as a teacher/administrator, as well as to also be able to work with him as music and art educators at SHS. He was such a great supporter of our Strongsville band program, traveling with us to many performance destinations. Remembering that Hawaii was his favorite. His community involvement and pride for Strongsville will be sorely missed. May you Rest In Peace knowing you have left a great mark on both of us and our community. Sincerely, David and Terri Harbart

Bill was a terrific administrator and friend. We worked together for many years in the Strongsville Schools. He was always the first in the office in the morning and often the last to leave in the evening. He was totally dedicated to the kids at SHS and was a difference maker in the lives of many. We are all better for having known and worked with him. Get some rest, Bill. You've earned it.

Jan and family, I have fond memories of working with Bill and you while I worked at Strongsville HS. I remember the late principal, Brooks Adkins, assigning me to help guide Bill's internship during his administrative certification program. I thoroughly enjoyed working with Bill and knew he would become an excellent administrator. Bill was a real pro, and he positively impacted the lives of all who worked with him.....other coaches, students and peers. Rick and Sharon Fenton

I will miss Bill. Our work together on the past two VF Class of 69 reunion committees gave me many opportunities to get to know him better. I saw a man who truly cared about each endeavor he undertook and was a good leader. His willingness to get deeply involved with so many different groups of people who serve our local communities and students is inspiring. My sympathies are with Jan and the rest of Bill's family. Bill was my brother-in-law, friend and golfing partner. We had a lot of laughs on the golf course. One memory will always stick in my head. We were at Shale Creek golfing and Bill hit a wild shot that hit a house. The owner came out and looked at us. Almost immediately, Bill pointed his golf club at me to make the guy think it was me. We sure had a great laugh at that!
