Pam and her sister, Belinda, came to stay at our house for two weeks when I was about 11 years old. It was one of the most memorable two weeks of my childhood. Pam was very kind and full of life. I remember that she was really good with my brother and they hit it off. We had many memories at Rough River as we had a cabin there and they went with us to swim, fish, and eat my dad's burgers. My mom, her Aunt Betty Anne, always spoke highly of her and said that she was a very hard worker. I had looked forward to seeing her again and I am very sad to hear that she has left this Earth, but I am glad that she is no longer suffering.

When I was in middle school, I remember meeting our long distant cousins at Grandma and Grandpa's home in Flaherty. It was such a fun week getting to make memories with them. My mom and dad (Wanda and Hugh Martin) always made sure to try to stay connected and Pam visited mom the year before she pasted. Mom enjoyed her visit and calls from Pam her last year. Thank you Pam! To Pam's siblings: Please reach out to me via text or call. 859-582-1999. Would love to have your addresses and emails to stay in touch and to share any future get togethers we may have. Sending love and prayers, Tracy Martin Hall

My favorite memory of aunt Pam is when we would all sit around the bonfire and eat hotdogs and s'mores while singing every song she could think of till ungodly hours. No matter how many times my mom would try to get us in the car to go home she would tell her to shut up and start singing a new song. You were always a blast to be around and I miss you so much already!
