We fondly remember Butch as a neighbor next to my Mom and Dad's house on Barrett Rd., Berea eons ago. Butch sold a '54 Jaguar XK120 to me that was a beautiful sports car. I had lusted after it for several years before he agreed to sell the car. It is long gone now and I wonder if it is someone's collector car somewhere today? I also remember his gas station on Shurmer and Pearl road where he first embarked on auto repairs. He was a talented auto repairman and could fix anything. Good memories and condolences to his family. Glenn and Karen Toy
