So sorry to hear of Carol's passing. We didn't know each other very well as cousins, but met up many times with events Aunt Rachel and Uncle Richard had at different places. I give my deepest sympathy to Michael and her sister Christine Wolff. I know you will miss her beautiful presence. Cousin, Marcia Wolff Adamczyk

My former sister-in-law, mother of my nephew Michael, and then life-long friend. I have known Carol since I was five-ish. We sure had some good times. She is the reason my room looked like a jungle when I was a teen. She loved Fleetwood Mac more than anyone I know. One of her last texts to me was that she wanted to see them in concert if they came around again. Life will never be the same, that is for sure.

Life won't be the same without you, Carol. Some of the happiest times of my life were with you. You were beautiful and kind, smart and adventurous. I don't doubt the angels are having a party with you and all of your friends, loves, and family who have gone before you. I love you, and will never forget you. Until we meet again, Darlene
