Hi, and condolences to Nancy's family and friends. I worked with Bob at Mobil Oil in the 1970's, and visited Bob and Nancy at their home on more than one occasion. Good people, good memories... May they both rest in peace. Gordon Hirshman

I am so sorry to hear about your loss. I first met Nancy at Bayless Laboratory in 1997 where we both worked and quickly forged a friendship. We continued to work together at SmithKline Laboratories. She was not only a skilled Medical Technologist but also a great Supervisor and a much appreciated friend. Although we had not seen each other in several years she has often been in my thoughts. RIP, my friend. Mary Ann Kannenberg
