John and I are heartbroken at the loss of the best neighbor we ever had (on Persimmon). She and Bud were legends, and I imagine they are legends together again....that's what makes the loss bearable.

Evelyn and Buddy were the best next-door neighbors we ever had. After Buddy passed away, Evelyn spent much time outside, and enjoyed sitting on the front porch where Vito was always happy to see her and give her kisses before our morning walks. She was always so happy and friendly, and had such a witty sense of humor. I will miss her sooo much. "Riposa in Pace" (Rest in Peace) my dear friend.
