Kristine M. Bilecky

OCT 4, 1957 - AUG 8, 2022

Kristine Bilecky (nee Kish), 64, passed away August 8, 2022. Beloved wife of 42 years to Raymond Bilecky. Loving mother of Michelle and Gregory (Muanfun). Daughter of the late Robert and JoAnn Kish. Dear sister of Therese Denner (David), Jeanne McGlone (Robert), Steven Kish, Jennifer Kelovsky (Kenneth), Daniel Kish, and the late Gregory Kish (Milissa; surviving). Aunt to many nieces and nephews. “Mama Kris” and nanny to many.

Kristine was the glue that held our family together. She was a friend to everyone she met, and always had time for conversation. She had the natural ability to convert strangers into family members. Identifying and sharing the beauty of God’s handiwork, in all things, was a focal point of her daily life. Whether it be in human acts, wildlife, nature, or something as simple as the shape of a cloud, she saw that beauty. She spent her life dedicating her time to helping others. Continuing to do so, even after her passing; as an organ and tissue donor she was able to improve the lives of potentially over 100 people. Kristine was very active at St. Joseph Lenten Dinners and Picnic Committees. While family was the most important thing to her in the world, she also enjoyed traveling, kayaking, fishing and the Metroparks. She also loved Disney and the beach. She will be greatly missed by all who knew her.

It is so distressing, I don't know what to say. Grateful to be guided to a chosen charity and I have just made a donation to lifebanc.org. Rest in peace beautiful Kristine, thank you for being the glue in the family and for showing such interest in my strange British causes and for all the inspiration over the years, from your loving cousin Michellex

I've always associated Kristine with a smile and lots of enthusiasm. This beautiful niece of mine remains alive in my memories because they are always happy thoughts of her generous planning, hosting, and managing whatever needed. Kristine and clan are synonymous, family I am glad to have interacted with from childhood to adulthood. I see her wonderful mother JoAnn, my sister, welcoming her to a more heavenly reality. Blessed be. With love and sympathy, compassion and Aloha, Laurel

There are no words to adequately express the depth of grief we all feel, especially close family, in processing the loss of this remarkable woman who had the biggest heart to help people in so many ways. I've known Kris since pre-school PTA. We've made such wonderful memories over the years. We laughed, we cried, we has long conversations about anything and everything. She always smiled and loved people so well. We will all miss her beautiful spirit but we are left with all the joy and passion for living she showed us all. She is with Jesus now. I still feel this is a dream and I will wake up andWe will see each other again... one day. But for now 

Memories only last if you share them
