I am deeply saddened to hear the passing of my childhood best friend, I'm sure we would have been stuck together like glue still today if you hadn't moved away. We did everything together until 5th grade. I still remember your first crush (Crystal Hurst) when you couldn't stop talking about her. Celebrating New Years by running up and down the driveway shaking up cans of pop and spraying each other at midnight. Being NBA stars in the driveway acting out game winning shots like Jordan and pippen. We played on the same basketball, baseball, and yes even soccer teams together. I'll never forget the home run derby's in your backyard, making gionino's pizzas, and me being so broke you would share your cheese/lettuce from Taco Bell with me all summer long. Hiding from your older brothers because they were gonna pick on us every chance they could but knowing they would also protect us if needed. Always loved animals and playing the trumpet. I remember when you first got your license you came back to Brook Park and we kinda reconnected. You were so happy to be first chair in the Strongsville Marching Band. I had no idea what it meant but I was happy for you. Together i met Dave McCorkle. In a lot of ways, I owe you for everything I have in my life. Time may have gotten the best of us, but I will never forget you.

Ryan Rohde was a wonderful person. I worked with him at the Strongsville Holiday Inn. He was perfect for the hospitality industry because he consistently exceeded a guest's expectations. Ryan was hardworking and reliable. He also knew how to have fun on the job and had an incredible sense of humor. He enjoyed giving of himself to make others happy. I am incredibly saddened to have heard this news and want to express my most heartfelt sympathies to the Rohde family. He was a very special person who I know will be missed by many.

Ryan was a kind soul who had a knack for hospitality. I worked with him at Holiday Inn in strongsville and Holiday Inn in Richfield and he was the definition of customer service. It came so naturally to him. I am so glad I had the pleasure of meeting him and sharing some wonderful memories with him. He will be greatly missed.
