We lived across the street (Deerfield Drive) from the Clearys since 1975. Wonderful memories of our kids growing up together. We were sad to hear of John's passing, but happy he is once again with his beloved Linda.

You were a man's man with a wonderful wife and family. Who knew back in the early 1950's when we moved three doors down from you that you would become my best friend. I will always cherish my memories of our friendship, particularly at Ohio State and beyond. Until we meet again rest in peace my friend.
