My 1st Memories of Dave was when I worked at Monarch in 1986 when some how our Browns made the playoffs. Bill and Brian wanted to make sure I shipped Browns gear to California for him to wear. Never knew he would return to Cleveland and when he did he was the Black sheep and eventually fit in. Some very good times with those Pfeil boys big part of my life and understand now how important that part was even though back then did not. RIP Dave, sorry I missed the service.

I am so sorry to hear of Dave's passing! We worked together at St. Joseph hospital in the city of Orange in California! they were such fun to work with, and I will always remember his big smile and sparkly eyes! I started calling him Bubba and it caught on so he was known by Bubba in our radiology department. Got together with him for lunch several years ago with another coworker, Janet, and he hadn't changed a bit. he was the nicest guy ever! Rest in peace, Bubba. ❤️

I am so heartbroken. Jocelyn & I were close with Dave for years. We always had so much fun together. He was so happy when he retired and got his condo in Clearwater... I'm glad he got to experience pure happiness. He spread that happiness with everyone he met. We just went to visit him in April so I'm devastated over this. I will never forget him.
