DEC 31, 1969 - APR 7, 2025

Always fashion-forward, Jina had a passion for style and a knack for putting together the perfect ensemble for any occasion. Her sense of fashion was only one aspect of her artistic expression. Above all, Jina was a friend to many and loved by all who had the pleasure of knowing her. Her radiant smile, generous heart, and the ability to make anyone feel special will be deeply missed. The void left by her passing is immense, but the legacy of love and laughter she leaves behind will continue to inspire and comfort those she loved.

I am a member of our LARS (Living with Lower Anterior Syndrome) group on Facebook. I too had rectal and breast cancer. Jina was a member on our group support page and such an inspiration, fighter and always gave nothing but positive comments to anyone she talked too. Jina fought with everything she had, will be truly missed and we are all so very sad as we lost a beautiful person. I am personally so sorry for your loss and you have my deepest sympathies to your family. RIP my friend.
