Christine Cole posted:

I first met the Morisky family when I went to St. Stephen High School with Lillian and graduated in 1966. After college I got my first teaching job at St. Stephen Grade School where I worked with Marty. There were only 4 lay teachers then, two men and two women. We ate lunch together everyday on a card table in the gym. Our friendship has lasted almost 60 years. I will miss Marty's quick wit and funny jokes. Rest in Peace my "treasured good friend."
