# Dolores Wiemels

DEC 2, 1934 - DEC 26, 2025

**D**olores Wiemels, a beacon of compassion and dedication, passed away peacefully on December 26, 2025, at the age of 91. Born on December 2, 1934, in Cleveland, Ohio, she was the beloved daughter of the late Stephen and Hilda Wiemels. Dolores was a cherished sister, aunt, and friend, leaving behind a legacy of love, care, and unwavering support.

Dolores was a loved sibling to Deanna Hiros (the late Richard) and the late Rita Wiersma (Edward), Laverne Koprowski (Edward), Carol Schlegelmilch (Ralph), and Marilyn Toth (James). She was an adored aunt and great-aunt to many nieces and nephews, who will miss her guiding presence and her ability to make every family gathering a memorable occasion.

Her career as a registered nurse at the Cleveland Clinic was marked by her unwavering commitment to her patients and colleagues. Dolores's nurturing spirit and skilled hands brought comfort and healing to countless individuals over her many years of dedicated service. Her retirement from the clinic was a testament to her enduring impact on the medical community and the lives she touched.

Beyond her professional achievements, Dolores was a passionate traveler, exploring the world's wonders with the same enthusiasm and curiosity that she approached all aspects of her life. Her love for adventure was matched only by her dedication to the Christ Child Society of Cleveland, where she was a longtime member and volunteer. Her selfless service and generous spirit were an inspiration to all who had the privilege of working alongside her.

Dolores's life was a beautiful tapestry woven with friendships that spanned decades. She treasured her relationships with her great friends, who became an extended family to her. The joy and laughter they shared will continue to resonate in the hearts of those who knew her.

As we bid farewell to Dolores Wiemels, we celebrate a life rich in love, service, and friendship. Her memory will be cherished and kept alive through the stories and memories shared by all who
