Stacia Lynn Rowe

AUG 1, 1975 - APR 19, 2026

Stacia Lynn Rowe was brought into this world on August 1st, 1975, and she entered paradise on April 19th, 2026.

Stacia was known for her huge heart, contagious laughter and being extremely protective of her family and friends.

She had a way of making you laugh and reminding you not to take life so seriously. She loved deeply and always put her hands out to help anyone in need. She wanted to make a difference and she always did. Stacia was a safe space for many!

She stood strong in her faith and spread the glory of Jesus to anyone who was lost and needed guidance.

Stacia lived for her daughter Brooke, and her grandchildren Landon and Sophie. They were her "reasons".

She was a major dog lover, and her dog Dozer had her whole heart. He meant the world to her, along with many other dogs she loved in her lifetime.

She loved music, making art with her grandson Landon, wearing hats and wearing her hair in pig tail braids, adidas shoes, large cups of tea, a big cup of coffee in the morning, planting flowers, sitting in the sun, dying her hair, trips to West Virginia, concerts, playing with her grandbaby Sophie and lots of ice cream.

She left us far too soon and the absence of her pure, and genuine soul will be deeply felt by all that knew and loved her. She leaves behind big shoes that cannot be filled.
