“ We feel so fortunate to have met Donna in Rehoboth Beach when she visited Fred and Jette. We had a dip in the pool and shared a wonderful dinner. We send our deepest sympathy and know your family loved her with all your hearts.

“ Sue and family,
Nicholas let us know about your mom. We were very saddened by the news. We only met her once at Nick and Cara's wedding but I am sure she lived a very active life. You are never really prepared to loose a family member. Sending our prayers and thoughts to your entire family.
