“ I'm living in Florida now and for some reason I thought of Ed today. I use to work with Ed many years ago at GE. He always brought a smile to my face whenever we spoke. That was a lifetime ago for me but you never know the memories that remain or who they are made with or on. I would tell Ed I was going to McDonald's for lunch and did he want anything....he would always say "I'll have a big macie by crackie!" regardless of whether he wanted anything or not and I still think of him saying that more than 35 years later, from time to time. What a great guy, what a great man. My condolences and yet happy memories of your loved one Ed. Ric Lampela...metal building Ric as known at GE. 08/20/2020

“ Love you, dad. I'll never forget how hard you worked to provide us with everything we could ever need. I miss you so much but Heaven is where you've always belonged. Until we meet again.....
