“ Nancy and I were instant buddies in nursing school. We lived a room away from each other and spent a lot of time together. I was honored to be a bridesmaid in her wedding. I moved away a year later but we kept in touch for years. Blessings and peace to Bob, her family and friends.

“ Words cannot express what the loss of this marvelous woman will mean. She was a ray of sunshine and hope to all that met her. Her generosity and warmth were felt by everyone she came into contact with. A true beacon in this world. Without her love and support I could not have made it through the last year. My prayers are lifted up for strength for all that feel this enormous loss. Blessings be. Liz Bonness

“ There are no words to describe the hole Nancy left on this earth. She touched so many lives with her caring spirit, good sense of humor, and "can do" attitude. I'm sure it didn't take long for her to start planting gardens and giving quilting advice and more in heaven though. I mostly blame her for my own gardening/plant "addiction". I'm blessed to have had her in my life and will never forget many wonderful memories.

“ We've shared a lot of good memories ever since you recruited me to quilt guild and quilt camp, just days after I retired. You were always on the go and making sure any facility who needed quilts, got them. You were the go to person when we needed advise on a quilt. Miss you, sis.

“ I went to high school with Nancy and lived next door. She was the happy one -- the photo is so typical. When my mom died a few years ago, Nancy was one of the first to come to the funeral home. Because I live in Louisiana, I am there in spirit, especially for Bob, with whom Nancy was in love always. I am sorry that cancer marred your lives but knowing Nancy, she made things okay anyway. May God bless you and keep you and help you hold your memories close, and allow the pain to ebb away. Marilyn (Marasko) O'Leary

“ Your picture of Nancy is perfect to remind us all of her wonderful sense of humor and positive personality. Nancy inspired me to make and donate dozens of pillowcases and always had another creative idea and help to share. We admired her love of family, dogs, gardening, and her generous spirit.

As a niece to my in-laws she was the daughter they never had and was adored by them. She and Bob assisted them often which they greatly appreciated.

Regretfully we seldom saw Nancy but will miss her.

Love,
Maria and Doug Knappe

“ Nancy was a bundle of energy, accomplishing a great deal. Yet she was very humble and dismissed praise. She was always ready to help in any situation. She loved a good story and was always ready for fun!! Will miss you, my friend!!!

“ Nancy...so fun..so full of life! One of the first people I met when we moved here from Texas in 1998. Friendship and quilting...what a combination. This picture of you is perfect. Peace to you my friend, you're with Heaven now...

“ Nancy will never be forgotten by our family. Always fun and always sharing her creative and beautifully hand-made items with us. Everywhere I look in our house, is something made by Nancy...a quilt, several stitchery pieces, baskets, yard art, stitched postcards, Christmas ornaments, and plants and even a reupholstered and re-stained rocking chair. She never

visited empty handed. Always something to share, especially new recipes. We go back 54 years plus many more for Al, ...and have missed a lot over the past few years; but always in our hearts! Bob, Kris, Ted, Beth and Allison, your wife, mother and grandmother was someone very special to emulate and you all have so many wonderful memories with her that will get you through the sad days without her. Like so many people said, she was the energy bunny! Ever ready, with a helping hand and so creatively talented! I'm sure she has already organized a quilting bee in heaven. We love you, Nancy and will miss you, until we all meet again.
